## **CHAIRMAN'S REMARKS:**

Welcome to the first of our productions for 1978.

Those of you who attended our late Autumn show of 1977 "Maid of the Mountains", will realise that tonight's production of "Oh What A Lovely War" is an attempt to tackle something which is just that little bit different.

Probably the nearest one can give is that of a musical drama.

Probably the nearest description one can give is that of a musical drama. It looks at the Great War through the eyes and ears of ordinary people - the soldiers who fought and died, and their families. It describes the early enthusiasm and patriotism for the War which gradually changed to cynicism and disillusionment. There is revealed the political background which proceeded with little or no regard for the men called upon to serve at the front line. The Generals are portrayed perhaps not as evil, but rather as stupid with little concept of reality.

We hope you will enjoy our production as we have certainly enjoyed rehearsing it for your entertainment.

Our lists are still open to receive applications for Associate Membership and if you are interested perhaps you would like to contact our Secretary on 360 3980.

Looking forward to seeing you all again later in the year for our November production of "Orpheus in the Underworld".
